# Announcement

WE ARE proud to have the honor to send to you this catalog of our sale for November 9, 1916. This catalog contains an exceptionally fine lot of pedigrees, which we believe will interest all lovers of good Short Horn cattle, as they are a richly bred lot of cattle, and if a close study of the animals could be made by every lover of the breed, we believe anyone would say this lot would be a credit to any country. Never in years have good cattle been so scarce, nor has it been so hard to find good bulls. We are listing an exceptionally fine lot of bulls, show bulls and herd bull prospects among them, sired by the champion Snowflake, Snowflake's Stamp, Gloster Goods and Village Sultan. The cows will be a grand bunch of breed matrons and bred heifers, all safe in calf or with calves at foot, and rebred to Snowflake, Snowflake's Stamp and Gloster Goods, three bulls which we feel proud of. We believe we are facing the most prosperous times we have seen in years for good cattle. This lot will have to be seen to be appreciated, and you will be well paid for your time, as we are selling the best lot we ever sold. Whether this means anything or not will be left for your judgment.

## GUARANTEE

We guarantee every animal sold as a single lot, a breeder. Cows well along in calf, or with calves at foot, show evidence of breeding, and no other guarantee is given. All other cows and heifers of breeding age shall prove to be in calf or get in calf, but if they do not after a reasonable trial period, they can be returned and another animal of equal value will be given in exchange, purchaser paying freight, or money refunded. Bulls are guaranteed under the same terms. Will not offer any animal we consider the least doubtful. Certificate of health furnished for animals going into territory requiring it. Breeding list will be furnished sale day.

Thanking you for past favors, and awaiting the pleasure of seeing you November 9th,  
we remain,

Yours truly,

RETZLAFF BROS.

**Snowflake 263207**—It is not necessary here to go into detail about this bull. His show record begun as a junior yearling, when he was a champion winner in the strongest competition. Heading the undefeated Young Herd of 1907. Snowflake is a massive bull, low down, broad and deep, and that he is a splendid breeder is shown by his calves, that have also been champions at the leading shows of the country. He is a very easy keeper, good disposition and easy handler. We would not part with him under any circumstances. And being the sire of the famous Ringmaster, junior champion at the International in 1909, grand champion of America 1910, 1911 and 1913, also denotes his value as a sire.

**Gloster Goods 408789**—is without doubt the greatest breeding bull sired by the famous Ruberta's Goods, which gave the H. Rees & Sons herd a national reputation. Gloster Goods is a bull of great scale and is very thick fleshed; has a beautiful head and horns, good back and two good ends. You will see on sale day that all his calves possess the same good qualities. If this bull was properly fitted he would be a very strong winner at the leading shows, but we consider him too valuable a breeder to take out of our herd to show.

**Snowflake's Stamp 387999** — is one of the very best bulls to be sold in America for some time to come, he is a richly bred bull of the Cruickshank Broadhook's family, and by his calves there are few his equal as a sire. He has a good back, well sprung ribs, and a great thickness through the heart girth. If you are looking for a herd bull don't overlook him. He has proven a great sire in our herd and we regret very much to part with him, but we have so much Snowflake breeding in our herd which is making good that we must use bulls of different breeding.

**Wellington Premier**—is a calf of great thickness throughout his entire body. He is nice and smooth with a very stylish head, neck and horns. He was a strong winner at the recent Nebraska State Fair, winning first prize in a class of eighteen calves. His dam is one of the best cows in the herd. She was undefeated junior heifer calf of 1913. Notice the sires in his pedigree. We could take all the Short Horn herd books and not write a better pedigree than he has. If you need a herd or show bull, come and buy him.
